⁺Timeline

- An "X" indicates that there is no specified date (in the SW timeline) in the story but it is placed in the timeline anyway.
- If there is a date in the column then that is the date specified in the story (and it is placed on the timeline).
- No "X" or date means I have yet to put it in the timeline.
- An "NA" means that it is not meant to be placed in the timeline.
- "ABG" stands for After the Battle of Geonosis
- "BBY" stands for Before the Battle of Yavin (i.e. Episode IV)
- "A066" stands for After Order 66
- "ATC" stands for After the Treaty of Coruscant
- "BTC" stands for Before the Treaty of Coruscant

[>] **Audio Dramatizations** are remakes of the original works to similar to a play. This is not a strict read through of the book like an audio-book is.

***Scan** - Indicates that the Digital Version is a scan of an existing book, comic, etc. This is by no means an official licensed copy but may be the only copy available or easily obtainable.

Dark Red boxes indicate missing information that hopefully will be obtained eventually
