

## Star Wars Electronic Stories Checklist

Own	Read	Name	Issue/ Date/ Source	Timeline <sup>+</sup>
-----	------	------	---------------------	-----------------------

**- Version 2.3 -  
November 12th, 2009**

<sup>+</sup>**Timeline**

- An "X" indicates that there is no specified date (in the SW timeline) in the story but it is placed in the timeline anyway.
- If there is a date in the column then that is the date specified in the story (and it is placed on the timeline).
- No "X" or date means I have yet to put it in the timeline.
- An "NA" means that it is not meant to be placed in the timeline.
- "ABG" stands for After the Battle of Geonosis
- "BBY" stands for Before the Battle of Yavin (i.e. Episode IV)
- "A066" stands for After Order 66
- "ATC" stands for After the Treaty of Coruscant
- "BTC" stands for Before the Treaty of Coruscant

<sup>></sup> **Audio Dramatizations** are remakes of the original works to similar to a play. This is not a strict read through of the book like an audio-book is.

**\*Scan** - Indicates that the Digital Version is a scan of an existing book, comic, etc. This is by no means an official licensed copy but may be the only copy available or easily obtainable.

**Dark Red boxes indicate missing information that hopefully will be obtained eventually**
